Vallaudingham, Ohlo's perfidious son, raised his voice against the passage of the note bill, on Monday.

It is still believed that Spaulding's bill, with legal tender clause, will, morely on grounds of necessity, secure a majority of of both houses. Were the Treesury feller, it would be more doubtful, but a strong mittee stood four to four on the question of substituting Morrill's substitute.

LATEST WAR NEWS .- "All quiet on the

BEIGHT, the quasi traitor, was expelled from the Senate on Wednesday. He left before the vote was announced. The galleries were densely crowded, and the audience expressed their satisfaction at the result. Previous to expulsion, Mr. Bright spoke at some length, saying he had ever vote. Every impulse of his heart was ment in relation to the affair of the Trent. given to his country, and he yielded to no That response is, as recent advices had led man in attachment to it. If he should us to expect, fivorable. The war fever, be turned out, he would put himself on trial which had for some time been gradually before a tribunal who should be found just, subsiding, had virtually disappeared. He would submit to the people of Indians The people were comining to their senses.—
The papers—even the most rabid of the the question of right or wrong in this case. The papers—even the most rabid of the He had no part in the movement for the Tory organs—were assuming a more resdisruption of the Union. He would leave pectful tone. The impression was becomthe people to decide the question.

the results that they predict-or, at least, ment and our people gross injustice, in pretend-will follow the suspension of specie payment by our banks. Why should British flag, was becoming general among they trouble themselves so long as we are the masses. satisfied? America is at this moment, working out the most astonishing financial problem that the world ever saw, and she is pretty likely to do it, too, without any sid from England, or any other foreign power, Let the "financial writers" scribble upon some topic better adapted to their abilities. As it is, they are merely wasting ink and

The Potter Investigation Committee.

The revelations of this Committee are at once startling and painful. Some of its dicated upon long and patient scratiny. Proofs of sympathy, more or less openly expressed, with the Rebellion, were furnished in over five hundred cases among those who derived their sustenance from the Government; while in many other cases evidence was offered, but overruled as irrelavant or unreliable.

It is proven that the Depurtments have recked with Treason : that men of notorione Secession proclivities have been retained in responsible posts ; that the Bureaux, been tainted with the presence of those who have made no secret of their contempt of the Government they prefassed to serve. It is proven that the Assistant to the Chief of the Ordnauce Bureno figured as an nider and sbetter to the thief Frovp ; that has been known to ventilate his anti-Federal proclivities in the most offensive manuer and that the late gardener of the President is an open and avowed secessionist. -subsequently promoted to a Lieutenantcy in the W. S. Army-devoted his leisure bours to the company of avowed Seces-

These are unpleasant developments ; but it is proper that the country should know them in order that the proper remedy may be demanded. The purgatory process is going on slowly. Popular sentiment will losist that it shall continue until every being "peppered by Rebel batteries !-Traiter has been dismissed from the confidence and pay of the Government.

Correspondence of the Albeity Brening Journal. Letter from Mr. Word.

out Emissaries due effected hare, what is also very apparent in England, a favorable change in the public sentiment. And in the correspondence on the subject all egree that our Government has a decided repudiated in words of withering repulse.

For the opportunity of doing the right thing in a proper spirit, we are largely in-debted to the Queen, who arged mildness and concillation man the Ministess who went to Windsor to obtain Her Majesty's of ending the war by any means other than day. noval of their Despatch. But our encinies are at work endeavoring

hoping to create fresh difficulties. Up-be meeting of Parliament a strenuous t will be made to violate the Blocksde. ad, it is said, will be arged to this france. The cause, in part, for

> The telegraph still continues to re cord, ever and suon, the fact that a Federal vessel has succeeded in running the gauntlet of the blackade of the Potomoc. As if it were a thing worth brugging about, that it is still possible, under the friendly cover of log or darkness, to approach the tention. National Capital from the sea, without How much longer must the comery suffer this humiliation ?

THE PRE-IDENT ANXBUCE FOR BATTLE. Hon Mr. Dixon, member of Congress from New York, in a letter writen for We come over here last evening, and I publication, says that the President stated fied to find that the giving up of the other day is his presence that there was probably not but one man in the country the charge that he, or Mr. Seward, or Gen. McClellan, were tampering or delaying,out conquest on the battle-seld."

These statements will be gratifying in the highest degree to our renders and all loyal persons in the country.

Union fortifications at Caire are unde he is the want of cotton. But will they water, and the pontoon bridge at Paducal had broken loose. Most of the postgons justice it would be, if the rebels, who have had been picked up at Cairo.

GEN. HALLEGE is determined to mete out stern justice to the Rebel Bridge-Burners in Missouri, A batch of these wretches having been tried and convicted, have been ordered by the Commanding General to be shot. It is gratifying to know that we The troops of Fort Holt have been re- have at last found a General who dures ex- nin and New Jersey are added to the De-

The Senate has passed a bill reducing the Tus last news from Europe looks as if slaries of the Supreme Judges, from three our supplementary initiag to the arrogance housend to twenty-five bundred dollars, of Joimny Bull bas, as was expected, preand both Homes have under consideration, pared the way for new demands, and conbills diminishing the compensation of some firmation of our earnestness to propitinte public officers, and abolishing the offices of his grace and amiability. The papers are diseasing very freely the merits of the commendations contained in the Governor's stone fleet blockade, and the more common opinion arrived at, is that it is not strictly in harmony with national comity, and that mittee of 3-Messrs, Bierce, Groesbeck, if persisted in, it will call for interference and Genekle to enquire into all contracts from both the affics France and England, and that the former power will take initiators in the remoustrance. Then again Mr. Bull bus found cause for raising his awast voice, in the presence of the United States vessel, Tuscarora, at Southampton, and according to Mr. Thurlow Weed, has sotified Capt. Craven that he will be detained at that port a sufficient length of time to give the Nashville, the object of his ambition, 24 hours start in getting to sea.

Thus, the conclusion forces itself upon us, that England will not went for a pretext to bring this nation to her feet, notwithstanding our haste to remove that connected with the rebel envoys. "Peace on the Potomac," is only the process of gestation by which complications from abroad

Tripping at the White House,

The charming Mistress of the White House has put all Washington agog, by the sending out of 550 invitations for a hop at that venerable mansion. Next to the British question, this occupies public atten tion. Mrs. James Gordon Bennett, of N York Herald notoriety, is said to be one of the happy 550. We supposed that gaiety and thoughtfulness was the absorbing mood of the National Capital, but the thought never occurred to us that the present condition of the land was favorable for frivolity at the White House, or that "Honest Old Abe" who revrently askedan in terest in the prayers of his neighbors when he left Springfield, should so soon lend his influence and devote himself to levity, when mourning and bereavement brood over so many households, and while the wine press of wrath and suffering is yet to be tred by

THE REMOVAL OF TROOPS FROM MANASSAS .-We very much doubt whether rebel troops have lately been removed from Manassaswe do not believe for a moment that Beauregard has left that place for, Kentucky. The whole thing is, without doubt, a trick of the enemy. We have no fears that McClellan will be deceived by any such

THE CASE OF GEN. BENHAM .- Gen. Benham will be tried by a court-martial, with a roving commission, which has been ordered by Gen. McClellan, upon the General's urgent request that he be either tried or discharged.

RESIGNATION OF GEN. LANDER -A COTrespondent of the Cincinnati Gazette ap. 3d inst. nounces the probable resignation of Gen. announces that a "thorough understanding Lauder "on account of having been orderstatements and allegations would be incred. had been arrived at with the American ed by Gen. McCiellan to retreat from Romney before Jackson, and reprimanded because, instead of this, he desired to capture do so. It was never contemplated that

Tavanow Warn, under date of Southampton, Jan. 11th, writes as follows:

"Mr. Adams received a dispatch late last evening from Earl Russell, stating that papers were counselling the people to let the expected Rebei Embussadors "sevely ion of engaging the Confederate steamer. 'Nashville," an order from the Admiralty Office would be sent immediately to the naval officer in charge at Southampton, to against Fremont, on his return from the Confederate steamer. This new phase to Craven's switch. Instead of waiting for the Nashville, Capt. C. will leave\_first, observations and calculations he is enabled partner in the house of Boyce, Thomas & to make. I greatly fear that Capt. Craven, the opportunity, which he so much wants,

> ALBANY is the largest lumber market in the world. The receipts of lumber for 1861, at that point, were 138,000,000 feet less than in the previous year.

THE British Cousul at Havana refused to permit the usual American "Despatch Bags" to be sent to Vera Cruz in the British packet. This insult should receive at-

A special dispatch to the Lournal from Cairo, says that the force under Gen. Grant was landing six miles below Fort Henry on

the 4th The gunbouts Essex and St. Louis made a reconnoisance of rebel works, for the purpose of lauding forces. They went within a mile and a half of Fort Henry, throwing several shells inside the entrenchments. The fire was returned, one shot striking the Essex and going through the corner of Captain Porter's cabin. The range of their guns baving been ascertained, a piace was selected for landing, which was to be done on the 4th.

The force of the enemy is supposed to be fifteen thousand. A dispatch dated the 5th says Gen. Grant's force was within four miles of Port Henry, and that a fight was expected that

It is pretty certain that the Southern emimories in Europe have offered to Eugjand, as the price of recognition and support, not only Free Trade, but the gradual abolition of Slavery.

What a curious illustration of historical always been great haters of England, should afford to buy it. now throw themselves into her arms; and after, having andertaken to destroy the nationfor the sake of slavery, they should be destroying Slavery themselves.

By a general order from the headquar ters of the army, the States of Pennsylvaters." One would think, to hear the tedions property in the country.

OUR RELATIONS WITH HAYTI AND LIBERIA. The bill authorizing the Bresident to appoint Diplomatic Representatives to Hayti and Liberia, introduced by Mr. Sumner, from the Committee on Foreign Relations enacts that such representatives be accredted Commissioner and Consul General, and receive compensation of a Commissioner, provided for by the act August 18, 1856, provided that the compensation of the Representative at Liberia shall not exceed \$4000. The Committe agreed on establishing the elations. The Commissioners rank with Ministers resident, between Embassies and charge d'affaires.

Hamp Hir .- In the Senate the other day Davis of Kentucky was magniforgent and pathetic over the horrors of the proposition to arm the slaves, and told his audience how well he loved his negroes. Seintor Harlan, of Iowa, gave him a hard hit when be suggested that the Senator from Kentucky had omitted in his recital the most heinous part of the proposition—that it was "arming children against their fathers,"

RIDICULED THE IDEA .- The rebels ridicule the idea of allowing Bishop Ames and Mr. Fish to visit our prisoners at Richmond. The Norfolk Day Book, for instance, says: The exquisite modesty of this proposition to send official inspectors of our defences and general condition entitles Mr. Stanton to the reputation of the most impudent man among all King Lincoln's proverbially to Cairo to work on the fortifications. impudent subjects.

From Mentueley.

LOUISVILLE, Feb. 1. A party of rebels under J. C. Morgan, of Lexington, captured five telegraphers near Campbellsville, all their implements and wagons, and burned a church at the sta-

COMPLIMENT TO GEN. HEINTZELMAN.-It will be noticed that this fine officer has received a signal compliment from the government-having been placed in command of an important secret expedition to the South. That he will be faithful to his trust and bear himself like a brave man and a good soldier none who know him will for a moment doubt

On a Secret Mission -The Tribune says: It is credibly reported that Mr. HENRY WIKOF is about to proceed to Europe on a confidential mission of a liplomatic nature from President Lincoln and Secretary SEWARD. He was repeat edly employed on such service by Mr. Br. CHANAN and Gen. Cass, on one occasion having even been sent to Chipe.

REBEL APPOINTMENT. - Richmond papers say that A. M. BARBOUR, FLOYD's superintendent at Harper's Ferry, has been apointed Chief Quartermaster of the whole rebel

To BE EXCRANGED .- Three hundred and sixty-five rebel prisoners, rank and file, at Fort Warren, Com. Borron not included among them, left Fortress Monroe on the

THE President stated in conversation derstanding that he should serve under Hunter. Lane expresses his willingness to his expedition should be independent of, or offensive to Hunter. The President will be glad if Hunter, acting within orders and sense of duty, can give orders that will be satisfactory to Lane.

DE Gen. HALLECK is giving the Seces ists of St. Louis and elsewh re a "realizing sense" not only of the folly, but the expensiveness of Treason. Several of these worthies having failed to pay their assesments, their property has been seized and additional twenty-five per cent, put on as a rider.

PLEASING INCIDENTS - Among the cheering incidents resulting from the crushing defeat of the rebels at Somerset, the Louisville Journal notices the recoipt of several our streets, communications from its old subscribers, dated joyously and exultingly, "At Home Again," "Home Reached, Thank God !" Zolicoffer's Embargo Broken," "At the Old Fireside," and most touching of all, who had been ruthlessly driven from their homes, and their possessions destroyed, by the plundering traitors.

The pirate Sumter having been ordered from Cadiz, reached Gibratar on the 19th of January. During her passage she burnt an American bark from Messina for Boston with fruits. She also captured the brig Investigator of Searspot, for Newport, with ore, but subsequently allowed her to proceed. Six of the Samter's crew described at Cadiz, and made their submission to the American Consul. The Captain of the Somter claimed them as deserters, but the Spanish officials declined to give them up.

To WHOM IT MAY CONCHRE.-- Keep out of debt-out of quarrels out of law-out Thursday the 13th day of February, 1862. of politics—out of idleness—out of thin soi- The goods and chattels of said deceased, constating in pared shoes out of damp clothes out of the reach of brandy and water-out of public ffice-out of matrimony, unless you are in love-and keep clear of the monatrons sin of 

THERE appears to be some clashing between Generals Lane and Hunter. cording to a dispatch said to have been reto command the expedition southward. Hunter calls for \$3,000,000, which Lane say he can do without. The order has been sent to give the command to Hunter

OLD FLANNEL PETTICOTO TO BE MADE A "CIRCULATING MEDIUM !"-The straits to which the rebels are being reduced will be found exemplified in a paragraph in the Norfolk Day Book, colling upon the women to contribute their old woolen skirts and dresses to the Government, for putting up fixed ammunition, the price of fixance being so high that the rebel Government canno

MORTARS FOR CAIRO .- The Pittsburg Ga zett says an order has been received from head-quarters ordering the immediate shipment of thirty of the large mortars manu-factured at the Pitt Works, for the Westere guabosts These immense engines o was have all been tested, and are ready for transportation. They vary somewhat in-weight, the smallest of them weighing seventeen thousand pounds.

Ar an Abolition Convention recently in discussing projects for taxing the Press held in Briston System S. Foster, and then the revenue for such taxes will amount they had something else to do besides givto. Some two weeks have already been ing the vegro his freedom. We must put consumed with the subject; and that in- him into the Senate, and admit him into guat body is still floundering in "deep wa- our social circles. We have got to swallow the negro whole, wool and all. If we are harrangues of Honorable Members, that not prepared to dothis, we had better fight Newspapers were about the only "taxable on the Confederate side. He would not support the Government in its present position. He had endeavored to dissuade every young man be could from enlisting, telling them they were going to fight for davery.

Wendell Phillips said be should deplore the complete success of Gen. McClellen, if his present policy was to be continued.

Since the order was made directing that the captured privateersmen be treated henceforth as prisoners of war, Secretary Stanton has expressed the opinion that Maj. Vodger and Col. Corcoran will speedily be released.

N. Y. Feb. 1st .- Commander John S Worden and Lient, S. L. Green, U.S. Navy, have been ordered to the Ericsson Battery. Commander Worden is the Lieut, Worden whom Bragg arrested at Pensaco la, in May last, and who lingered in the county jail of Montgomery, Alabama, so many mouths.

Caino, Feb. Ist .- Another expedition, perhaps larger than the recent reconnoisance is evidently in course of preparation from

From Missourt

Several companies of the 4th regiment of Missouri volunteers, having shown themselves mutinous and disobedient of orders, have been disarmed and placed in confine ment in Benton Barracks. The privates and non-commissioned officers will be sent

The officers of these companes not having joined in the mutinous demonstration, but having failed to enforce order and military discipline, will be mustered out of service and discharged,

The Major-General Commanding is

ready to redress well-founded grievances. but he is determined to enforce disipline and obedience to orders.

A LIEUTENANT-GENERAL - A COFFESDOR dent of the Cleveland Leader, says a bill is maturing authorizing the President to appoint a Lieut-Gen, from the regular or volunteer officers. It is designed to put somebody over McClellan. Perhaps so.

GUNBOAT EXPEDITION .- The War Departnent is said to have received official dispatches from Pederal Officers, that the gun boat expedition is moving up the Tennesses river, flanked by infantry on the shore, to attack the rebels and great anxiety is felt to learn the result. The Assistant Quartermaster of the

Burnside expedition was in N. Y. on Wednesday, chartering more steumers and sailing vessels in which to forward ordnance and commissiony stores. He reports the health of the troops good, and when he left, there were about a hundred vessels of the expedition at Hatterns Inlet

AT a sale of condemued horses and mules, at Gallipolis last week, 161 were sold, the lot bringing \$3,797. The highest brought \$78 25 ; the lowest 25 cents. So the mon-
